MADE WITH LOVE BY CHEFS

We have a close relationship with our butcher Mackanna, based in Smithfield. They've provided us with our quality ingredients ever since we started our first burger stall back in 2014. Almost everything you see on the menu is made by us, apart from the buns which come to us from Gail's bakery, we just don't have the room to bake that many buns! Every sauce is made by us, we ferment the kimchi, we pickle the cucumbers, we chop the veg, we bake the brownie. We are chefs and we love cooking!

COLLABORATIONS

Collaboration is at the heart of what we do here at the Collab, it's in the name! We've recently collaborated with Jaz Coleman of Killing Joke, Neil Rankin and his amazing Symplicity foods, Big Lew of Burger gang fame, Phat boi, Lagom Chef. The list goes on!! Watch our socials for upcoming supper clubs!!
